Notice

Dear Students,

Odd Semester Registration for Session 2020-21 will be open from **September 03, 2020**. Also as all are aware the physical presence of students in university campus is not possible due to COVID-19 pandemic. So registration for 3rd, 5th and 7th Semester (September to December 2020) will be through online mode only.

For registration of pass out students (Study mode only) process mainly has following steps:

1. Make sure you are eligible for study mode registration.
2. The students who had already completed their maximum course/program tenure must furnish the approval of competent authority for registration.
3. Check the availability of your desired subject(s) with concerned school/Department.
4. If your desired subjects are available with department then pay the requisite fee online (Details are available on website).
5. Fill the online registration form for registration at **<https://forms.gle/yDgq5XCucZyHq2yz8>**
6. Regularly check your email (given by you in online form) for status of your registration.
7. After successful registration (With proof) you must report to concerned Department/School for classes.

You are advised to complete your registration before the last date i.e. **15 September 2020**, to avoid any inconvenience in future. You are also advised to attend the online classes through **Microsoft teams' app** on regular basis and maintain your Attendance as per the guidelines of University.
