Baddi University of Emerging sciences and Technology

Sir,

We are pleased to inform you that your purchase order for internet lease line has been approved for 256 Mbps bandwidth.

We will provide you connectivity through fiber from january1, 2021. From the 1st April 2021 we will start our internet lease line services and billing invoice will be generated on Monthly basis.

Another term and condition will be in SLA agreement papers.

Thanks for placing an order with JIO.

A handwritten signature in blue ink is written over a circular stamp. The stamp contains the text "RELIANCE JIO" and "DIGITAL LIFE" around the perimeter, with a star in the center. The signature is written in a cursive style.

Embarcadero Licensing supports either the Embarcadero License Center (ELC)

or Accessor FLEXnet Publisher methods of networked license management. The method of management is defined at the time you place your order. Please refer to the Order Information details above to determine which you ordered.

For ELC Licensing:

Embarcadero products used with ELC networked licensing require the installation of the Embarcadero License Center. Please refer to the following Web site for instructions and for downloading the ELC installation files:

For FLEXnet Publisher Licensing:

Embarcadero products may also be purchased with FLEXnet licensing. This

Subject: Visual Prolog Order - Institute of Engineering and Emerging Technologies
Below please find license code and download instructions.

Thank you for your purchasing Visual Prolog 6.1.

Your order will be processed today.

You will find your license below.

You can install Visual Prolog Commercial Edition from a downloaded file or from CD if you have ordered it.

After installation please select "Enter license" in the dialog that pops-up the next time you press "build" in the Visual Prolog development environment.

Then copy the text (including "Begin License" and "End License") into the registration dialog, and press OK.

Note: if you have already installed Visual Prolog Personal Edition, it is anyway necessary to download (or wait for a CD) and install Visual Prolog Commercial Edition.

Regards
Prolog Development Center
