SUB: Submission of UC for April 21 till date and Request to carry forward the funds to the next FY 22-23

Respected Madam,

This has reference to the email dated 14 Dec., 2021 w.r.t. the submission of Utilization Certificate and studentship details related to two HIMCOSTE courses:

- i. Quality Control Biologist
- ii. Laboratory Technician/Assistant

running at the Baddi University of Emerging Sciences and Technology, Baddi.

As per our previous communication, where the UC certificate of FY 20-21 was submitted. We had requested for the approval to carry forward the unspent money and utilize the same for the next academic year. We would like to bring this to your kind notice that we have not received the permission to carry forward those funds and to utilize the same so we could not carry any expenditure in the current academic year. However, we have pending expenditure for the academic year 2021-22. The details of which are attached.

You are kindly requested to accord your permission to Carry Forward the unspent money (Rs. 11,99,850/-) to the FY 2021-22, so that we are able to pay the student stipends and utilize the funds as per sanctioned letter.

Thanking you in anticipation,

Yours sincerely,

Dr. Ravinesh Mishra
Co-ordinator, HIMCOSTE Program

Memorandum of Understanding (MOU)

1. Preface

Baddi University is an educational institution founded by CASE Society focuses primarily on Emerging Technologies and Education has been established under the H.P. Pvt University Act 2010.

The first batch of B.Sc (Hons.) Agriculture 4 year program was started in academic session 2018-19 under School of Agricultural Sciences with the approval of Himachal Pradesh government. The course has been designed as per the recommendations of the Indian Council of Agricultural Research (ICAR, New Delhi) 5th Dean Committee report. The major aim of the school is to meet the new challenges of the fast evolving agricultural production systems, which necessarily entail a complete metamorphosis of agricultural education-teaching, research and extension.

The Rural Awareness Work Experience (RAWE)&Agro-Industrial Attachment (AIA) is an integral part of B Sc (Hons.) Agriculture degree programme. It will help the students primarily to understand the rural situations, status of agricultural technologies adopted by farmers, prioritize the farmer's problems, prepare farm and village development plans and to develop skills and attitude of working with farm families for overall development in rural area.

2. Preamble:

This memorandum of understanding is made between the village Basola (Nandpur Panchayat) herein after referred to as the 1st party and Baddi University of Emerging Sciences and Technology, Baddi, District Solan (Himachal Pradesh) herein after referred to as the 2nd party specified above has entered into this memorandum of Understanding on the terms set out below.

3. Purpose:

The purpose of this memorandum is to provide a framework by which the parties may in future undertake joint activities together, which may include:

- 3.1 To provide an opportunity to the students to understand the rural setting in relation to agriculture and allied activities.
- 3.2 To make the students familiar with socio-economic conditions of the farmers and their problems.

- 3.3 To impart diagnostic and remedial knowledge to the students relevant to real field situations through practical training.
- 3.4 To develop communication skills in students using extension teaching methods in transfer of technology.
- 3.5 To develop confidence and competence to solve agricultural problems.
- 3.6 To acquaint students with on-going extension and rural development programmes.

4. Status

- 4.1 This memorandum does not create any legally binding obligations or right between the parties
- 4.2 Any specific arrangements undertaken by the parties will be documented in legally binding agreement

5. Term of This Memorandum

- 5.1 This Memorandum commences on the date specified on the last page of this document and remains in effect for a period of one year from commencement
- 5.2 The parties may extend or renew this Memorandum by mutual agreement
- 5.3 Either party may terminate this Memorandum at any time by notifying the other party at least six months in advance of the proposed date of termination.
- 5.4 Termination or expiry of this Memorandum does not affect any legally binding arrangements in effect or continuing following termination or expiry of this Memorandum.

6. Coordination of Agreed Activities

In order to carry out and fulfill the aims of this Memorandum, both parties mutually agree on following points:

1. 1st party agrees to allow the students of B. Sc (Hons.) Agriculture final year students to interact with the farmers in the village and to collect the required agricultural and socio-economic information of village and farmers for their report compilation and 2nd party agrees to provide the required formats for data collection.

2. 1st party agrees to allow the students to be involved in their farm activities like sowing, weeding, fertigation, plant protection measures, harvest and post-harvest activities etc. for learning by doing and 2nd party agrees to allow the students for their active participation for the above mentioned field activities.
3. 1st party agrees for the active participation of their constituent village farmers in the Farmer's trainings arranged by the students of 2nd party and 2nd party agrees to provide their technical guidance to the farmers group of 1st party.
4. 1st party agrees to allow the members from 2nd party for their timely monitoring and supervision of students of 2nd party as and when required and 1st party agrees to cooperate in those field monitoring activities.
5. Both parties agree for conducting any other activity in future on which the parties agree

Memorandum of Understanding (MOU)

1. Preface

Baddi University is an educational institution founded by **CASE Society** focuses primarily on **Emerging Technologies and Education** has been established under the **H.P. Pvt University Act 2010**.

The first batch of **B.Sc (Hons.) Agriculture** 4 year program was started in academic session 2018-19 under **School of Agricultural Sciences** with the approval of **Himachal Pradesh government**. The course has been designed as per the recommendations of the **Indian Council of Agricultural Research (ICAR, New Delhi) 5th Dean Committee report**. The major aim of the school is to meet the new challenges of the fast evolving agricultural production systems, which necessarily entail a complete metamorphosis of agricultural education-teaching, research and extension.

The **Rural Awareness Work Experience (RAWES) & Agro-Industrial Attachment (AIA)** is an integral part of **B Sc (Hons.) Agriculture degree programme**. It will help the students primarily to understand the rural situations, status of agricultural technologies adopted by farmers, prioritize the farmer's problems, prepare farm and village development plans and to develop skills and attitude of working with farm families for overall development in rural area.

2. Preamble:

This memorandum of understanding is made between the village **Malpur (Malpur Panchayat)** herein after referred to as the **1st party** and **Baddi University of Emerging Sciences and Technology, Baddi, District Solan (Himachal Pradesh)** herein after referred to as the **2nd party** specified above has entered into this memorandum of Understanding on the terms set out below.

3. Purpose:

The purpose of this memorandum is to provide a framework by which the parties may in future undertake joint activities together, which may include:

- 3.1 To provide an opportunity to the students to understand the rural setting in relation to agriculture and allied activities.
- 3.2 To make the students familiar with socio-economic conditions of the farmers and their problems.

- 3.3 To impart diagnostic and remedial knowledge to the students relevant to real field situations through practical training.
- 3.4 To develop communication skills in students using extension teaching methods in transfer of technology.
- 3.5 To develop confidence and competence to solve agricultural problems.
- 3.6 To acquaint students with on-going extension and rural development programmes.

4. Status

- 4.1 This memorandum does not create any legally binding obligations or right between the parties
- 4.2 Any specific arrangements undertaken by the parties will be documented in legally binding agreement

5. Term of This Memorandum

- 5.1 This Memorandum commences on the date specified on the last page of this document and remains in effect for a period of one year from commencement
- 5.2 The parties may extend or renew this Memorandum by mutual agreement
- 5.3 Either party may terminate this Memorandum at any time by notifying the other party at least six months in advance of the proposed date of termination.
- 5.4 Termination or expiry of this Memorandum does not affect any legally binding arrangements in effect or continuing following termination or expiry of this Memorandum.

6. Coordination of Agreed Activities

In order to carry out and fulfill the aims of this Memorandum, both parties mutually agree on following points:

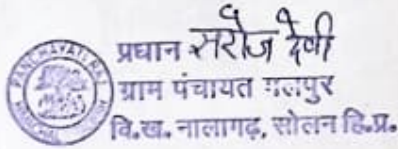

1. 1st party agrees to allow the students of B. Sc (Hons.) Agriculture final year students to interact with the farmers in the village and to collect the required agricultural and socio-economic information of village and farmers for their report compilation and 2nd party agrees to provide the required formats for data collection.

2. 1st party agrees to allow the students to be involved in their farm activities like sowing, weeding, fertigation, plant protection measures, harvest and post-harvest activities etc. for learning by doing and 2nd party agrees to allow the students for their active participation for the above mentioned field activities.
3. 1st party agrees for the active participation of their constituent village farmers in the Farmer's trainings arranged by the students of 2nd party and 2nd party agrees to provide their technical guidance to the farmers group of 1st party.
4. 1st party agrees to allow the members from 2nd party for their timely monitoring and supervision of students of 2nd party as and when required and 1st party agrees to cooperate in those field monitoring activities.
5. Both parties agree for conducting any other activity in future on which the parties agree
